# CONTAGIOUS

16 - 18 March 2012

KEEPING IT **RADICAL**, KEEPING IT **SIMPLE** AND ALWAYS KEEPING IT **REAL**

We are excited at ARC, as it is that time of year again for our Radical Conference when family and friends, near and far can come together. Last year we went out on the edge, it was an awesome conference.

This year, 2012, we are getting **'CONTAGIOUS'!**

Jesus said "... the Kingdom of God is as leaven ..." Matthew 13:33; we are also called salt and light. This means we are supposed to change and influence everything around us.

For 2012 we have chosen to invest in you through a great line up of speakers that will not only challenge and provoke you in your faith, but ultimately push you into becoming a **'CONTAGIOUS'** Christian; a carrier of something worth catching.

The conference is free! We need your registration so that we can manage numbers more efficiently. The conference is set to conclude with a triumphant Worship Conference Concert – an evening not to be missed.

Looking forward to a great time with you and becoming more

**'CONTAGIOUS'.**

## DOUG WILLIAMS

The East End of London has always been seen as the home of some pretty 'dodgy geezers'; thankfully, **Doug Williams** is not one of them! Having been well prepared through life experiences and ministerial training at Spurgeon's College he is now the Senior Pastor of Emmanuel Christian Centre where he addresses many of the needs of the community and a large and thriving inner-city church.

Doug is a well respected and much sought after Christian motivational speaker, with strong teaching gifts and an apostolic calling to leaders. He travels widely conducting leadership training seminars, speaking at men's conferences too. As a singer/songwriter his musical focus is now all about worship that is truly God-centred. He has performed with numerous gospel artistes and singers, and his own band called "Raize" have also recorded several CD's.

Doug is married to Joan and they have four children.

## JEFF LUCAS

**Jeff Lucas** is an international best-selling author of 19 books, and is a speaker and broadcaster.

He broadcasts on weekly radio shows throughout Europe on Premier and on UCB Radio in Europe and Australasia.

He is a monthly contributor for Christianity Magazine and writes a daily devotional with CWR entitled Lucas on Life Every Day.

Jeff holds a pastoral teaching position at Timberline Church in Colorado, a church that has grown to 10,000 in the last 12 years. He and his wife, Kay, live in Colorado; they have two adult children.

# MIKE VICKERS

**Mike Vickers** together with his wife Sarah have pioneered and pastored churches for 19 years. Recently he has walked the length and breadth of Britain/Ireland/Germany, reaching people with the gospel.

Mike's preaching is inspirational and packed with testimonies and first-hand miracles. He has carried a powerful message to congregations across this nation and abroad and is contending to see the Church return to the book of Acts with powerful demonstrations of signs, wonders and healings following the preaching of the Word.

He is also the author of "The Stronghold Bootcamp for Men".
